WHY GSIF MATTERS

Green Semiconductors Investment Forum is the first international investment forum in Bulgaria dedicated exclusively to semiconductors, advanced manufacturing and strategic industrial development.

The Forum connects policymakers, investors, technology leaders and industrial projects from Europe, the United Kingdom, Türkiye and the Middle East, creating a platform for investment, partnerships and ecosystem development.

WHY SPONSOR GSIF?

VISIBILITY

Position your organisation before senior decision-makers from across the globe.

POLICY ENGAGEMENT

Engage directly with government and institutional stakeholders.

INVESTMENT ACCESS

Connect with investors, industry leaders and high-potential projects.

REGIONAL GATEWAY

Access Southeast Europe, Türkiye and the Middle East through a strategic platform.
